

CLUB NOWRA

COVID-19 UN-VACCINATED PATRONS

**Un-vaccinated patrons will
NOT be allowed entry
after December 15.**

Vaccinated Only

From the 15th of December onwards, Club Nowra has come to the decision that only fully vaccinated members and visitors will be granted access into the Club and Restaurant.

Dec, 15

Wednesday

For More Info

For more information regarding what certificates are required by Club Nowra, in order to enter the club, please visit our website.

What You Need To Know

With laws due to change from the 15th of December onwards, Club Nowra will only be allowing fully vaccinated patrons and visitors into the Club and Restaurant.

All patrons must be double vaccinated to participate in any activity which takes place inside the club, such as: bingo, trivia, raffles and more. In order to gain access to the Club you must be able to provide your certificate on the day, meaning you must carry your certificate with you at all times when attending the venue.

For those who wish to purchase take-away food from the Rinks Restaurant, if you are un-vaccinated you are still able to order take-away but can not enter the club or eat in. You may order over the phone and a staff member will bring your order to you.
