

It is with pleasure that I present the President's report of the Nowra Womens Bowling Club for 2021-2022.

Covid restrictions have proved a challenge for our bowlers, and I would like to congratulate the lady bowlers in following the guidelines set down by Club Nowra.

With the change in the bowling year, 2022-2023 it was decided that we would begin our championships in July 2022 and complete the bowling calendar in 2023. Pennant season this year will be August, with the State Playoffs being played late 2022.

We celebrated our 74th Birthday in April this year, and although no bowls were played due to the weather, we managed to enjoy a shared lunch and birthday cake.

Our Lyrebird Shield and Major Minor Tournament were both extremely successful, with both greens filled. Our thanks to IJ&D Electric and Data for their Lyrebird Shield sponsorship, and Club Nowra for sponsoring our Major Minor Pairs Tournament.

In May this year, Club Nowra hosted the Women's State Carnival over three days. It was a huge success and it was wonderful to catch up with bowling friends from throughout New South Wales.

I would like to thank the ladies for their volunteering throughout the year, without their help it would be difficult to successfully hold our Tournaments.

On behalf of the ladies, I would like to thank Secretary Manager Grant, President Michael and the Board for their continued support. A special thank you to Bowls Co-Ordinator Glenn for his massive help. To Greenkeeper Beau, Alisha in the office, and our very friendly bar staff, thank you.

I look forward to the next twelve months and trust that Club Nowra will always remain "The Friendly Club".

**Carol Hollands**
