

CLUB NOWRA

Presidents Report 2022

It is with pleasure that I present the 2022 Annual Report showing the Club before depreciation had an operating profit of \$363,144.00. Due to Covid shutdowns and government Job Saver payments it's hard to determine exactly how the Club is travelling financially, although cash flow improvement, is a strong indication we are doing well. Barring any calamity, the next two years will indicate how we have recovered post Covid. Our members support will be crucial.

There are many people to thank for their support this year. Firstly, to all members and guests for your patronage, to Grant and staff for keeping the club operating, though short staffed due to Covid.

To Annie, Alex and restaurant staff, President Carol and the Ladies Committee, President Deborah and the Fishing Club, greenkeeper Beau for his work on the greens and surrounds, Bowls Organiser Glen and in particular our wonderful volunteers. Finally many thanks to all the Directors for your help and support.

To those who have lost loved ones, our deepest sympathy and to those in ill health we wish you a speedy recovery.

Respectfully,

Mike Mitchell
President
