

CLUB NOWRA

CLUB NOWRA FISHO'S PRESIDENT'S REPORT 2023/2024

It was a very quiet year on the fishing front for Club Nowra. Only seven of our members won prizes in the monthly fishing competitions held this year.

The start of the season saw Michael Ware weighing in Salmon and he managed to weigh-in several more during the year. He was a consistent competitor each month and doesn't mind fishing in all kinds of adverse weather.

November 2023, we held the Norm Jorgenson Black Crab Competition at Greenwell Point and thankyou to the Jorgenson family for sponsorship. A great weekend was had by all enduring all weather conditions as is usual for our Greenwell Point competitions. Thank you to all that attended and helped with the bbq on Saturday night.

The trophy winners for the weekend were Les Norman most points and Ann Norman biggest bag, Austin Fleming biggest bream, Sue Savage biggest flathead and John Kerr biggest salmon.

The members looked good in their new fishing shirts. Thank you to the Norman family for their help in ordering, design etc.

February saw our RDW Weekend Competition also held at Greenwell Point in honour of long-time Past President Ray Watsford.

A fun weekend was had by all and the prize winners for the weekend were:
- Ann Norman most points, Les Norman biggest bag, Sue Savage biggest flathead, John Kerr biggest bream.

It was an expensive season for a couple of members with two mobile phones being donated to the river bed.

Our fishing season for 2024/2025 kicks off in September with two weekend away competitions scheduled for November 22nd – 24th, 2024 and February 7th – 9th, 2025.

CLUB NOWRA

Thank you to all who helped and supported the monthly raffles, our only source of income.

A very big thankyou to our Weigh Master Kevin Foster (Bear), our Record Keeper Sue Savage and our Treasurer Michael Mitchell who are always available to keep our Club running smoothly.

Our membership is not strong at the moment so hopefully we can manage to survive another year and we can find some new members to help us continue.

Deborah Fleming
