

# Nowra Bowls Newsletter

## Welcome

In an attempt to help with communication flow for all bowlers within Club Nowra it has been decided to start a newsletter aimed at promoting what we have on and what we have coming up. With all new ventures, we are sure we will hit a few bumps along the way so please bear with us as we move forward.

If anyone has any ideas on what should go into this **Newsletter** please let one of us know as nothing is set in stone.

The Club jackpot is now well over \$3,000.00 so come down on Friday for social bowls, hang around for the raffles, meat trays and win a mozza!

Edition # 1 - October, 2025

Firstly - we need a name for this. Something snappy, witty & draws attention to Nowra bowls preferably with some alliteration. A handsome reward awaits the successful nominee!

Secondly - we would be accepting of a monthly joke, cartoon or humorous anecdote as there must be jokes better than ..

*A bowl in the hand is worth two in the ditch.*  
.....

## Pennants 2026

With the membership numbers growing it has been decided to nominate for three grades in the Open Pennants for season 2026. Teams will be selected in Grade 3, 5 and 7. If you are interested, please place your name on the flyer on the notice board. You **MUST** be a financial members of Club Nowra and Bowls NSW to be considered for selection.

## Bowlers Prayer

*Blessed are they who can play sport,  
Blessed are they who can still be taught,  
Blessed are they who accept with grace,  
To play in any selected place.*

## Nowra Monthly Pairs - September

Warm and sunny weather greeted over 40 bowlers from across the Shoalhaven who were treated to greens that were running true and well. Well done to Scott Mathieson and his team for producing yet another notable playing surface.

The Controlling Body of Cliff Edwards, Bob Webster and George Clarke presented a great day for all that included a magnificent lunch of fresh sangers and locally made pies.

The Nowra RSL branch members will be feasting us with a BBQ for October's monthly pairs so get you names in now!
